

And That's NOT All... And That's NOT All...

Apart from the BRILLIANT offer we are already making, Tuff Guard has expanded....

We are currently offering all current and new Tuff Guard Dealers the add on option of Tuff Shield (a Polyurethane Paint Protection Film) and Tuff Guard Tint (Smash & Grab Window Tint) at a minimal once off fee of R6000 excl VAT and a monthly marketing fee of R850 excl VAT.

What do you get for R6000.00 excl VAT?

Well, apart from two brilliant add on's to your Tuff Guard Dealership, you also get:-
Training at your premises or at our Training Centre in Cape Town (your choice)
Tool Kit comprising of everything you need to install Tint and Paint Protection Film.

So now you're asking:-

What is Tuff Shield and Tuff Guard Tint?

Tuff Shield Paint Protection is created using a tough, transparent, Polyurethane Film originally designed to protect the blades of a helicopter.

Each template is computer generated according to OEM specifications and then laser cut assuring the perfect fit for every make and model of vehicle.

The durable, tough and clear film will not crack, yellow, shrink or peel and most importantly will not damage the vehicles paint.

Tuff Shield paint protection is practically maintenance free, will not damage the paint and will not alter the vehicles aerodynamics or appearance. In fact, TUFF SHIELD, is virtually invisible.

The ***Only*** Polyurethane Spraying System

Everybody is talking about it. It has happened to people you know. It occurs at stop streets, busy intersections and traffic lights. Every day more people are falling prey to "smash & grab" theft.

Criminals lurking around intersections prey on unsuspecting motorists while their cars are gridlocked in traffic. The effective defence against "smash & grab" attacks is Automotive Film. Tuff Guard tint will hold the shards of glass in place, slowing the intruders access into the Vehicle...

Tuff Guard Tint:-

- ✓ Helps protect occupants and belongings from "smash & grab" attacks
- ✓ Helps protect occupants from flying glass in the event of an accident
- ✓ Reduces solar energy by up to 44% and Ultra Violet by 99% thus increasing comfort and reducing glare
- ✓ Helps prevent the premature fading of your vehicles carpet and upholstery.

So What do you get for R850 Excl VAT per month Marketing?

Currently we have a two page advertisement in the CAR Magazine...

Don't Be a Victim

Lifetime Nationwide Guarantee
Testing The Lifespan Of Tuff Guard's Polyurethane Lining On Your Load Bin
Will Mean Going Through Quite A Few Of These.

There's a common misconception today that all load bin liners are the same. That they're made from the same material. That a liner is a liner. Well, here at Tuff Guard we have thousands of customers who will tell you why our load bin liners are not the same. The liner we require is different in flexibility and Durability. That Tuff Guard Polyurethane liners are technologically superior in quality and will provide a pliable and weather protective lining that is resistant to abrasion, cutting and corrosion. We back up our promise with a lifetime guarantee. And you'll have to go through a few engines before you agree that only a serious promise can merit a lifetime guarantee. Here's at it can today.
